HOUSE OF COMMONS

LONDON SW1A 0AA

23 September 2024

Important Changes to Winter Fuel Allowances

Dear Resident,

As you will be aware, the Government has made changes to Winter Fuel Payments, meaning that the majority of pensioners will now lose access to this allowance. Whilst I voted to oppose these changes, given its passage through the House of Commons, it is crucial to me that those who remain eligible for assistance are fully informed and able to access the support.

To receive a Winter Fuel Payment, you will now need to qualify via means testing. That means testing will be based on whether you are eligible for Pension Credit or not during the week of 16 – 22 September 2024. You only need to be eligible for one day during this qualifying week to benefit from a Winter Fuel Payment this winter.

You have until 21 December 2024 to apply for Pension Credit, which is the last possible date to make a successful backdated claim in order to receive a Winter Fuel Payment.

It is really important that you check whether you, or a loved one, might be eligible for Pension Credit.

You can do this online at: apply-for-pension-credit.service.gov.uk/start

You can also call the claim line on 0800 99 1234. You'll need the following details to hand:

- Your National Insurance number.
- Your bank account details.
- Information about your income, savings and investments.
- Information about your pension (if you have one).
- Details of any housing costs (such as service charges or ground rent) and your partner's details (if relevant).
